Hi Misty,

I am not sure what was your question.

If you are asking about the invoice you submitted and when the money will be deposited, it will be process as long as the D&O insurance is updated in our website. Controllers' Office will not approve the document if the insurance is missing. If you insurance agent has problem with the insurance website, please have them contact CAO-Risk Management at (213) 978-7475.

If you are asking the money shows on the transmittal, please submit an invoice for it.

Thanks.

The county remittance report attached to the transmittal shows how the money was received.
